

EMPLOYEES WE LOOK FOR AT LSI

LIFESTYLE SWIMMING INSTRUCTION, LLC provides Boise and surrounding town families with an alternative to “typical” swim lessons. We proudly provide year-round instruction in our warm salt water indoor swimming pool where parents can watch their children’s progress in our clean pool environment.

Our instructors are experienced caring professionals who have a passion for the sport of swimming, teaching swimming and water safety. We teach children in a manner that is respectful of their physical, social, emotional and cognitive development.

- 1) Safety – Children must be able to trust their teacher before they can learn. Demonstrate behaviors that show children that you will always keep them safe and protected.**
- 2) Love – Children must feel important and cared about before they can trust. Demonstrate behaviors that show children that you care about them.**
- 3) Fun – Children learn through play. Play is important work for children. Keep the lessons fun, challenging and creative!**
- 4) Love of Learning – Children who develop a love of learning and have a skill that will be valuable throughout life. This provides an opportunity for children to experience and witness the excitement of accepting challenges, the thrill of overcoming obstacles, and the adventure of learning a new skill!**
- 5) Developmentally Appropriate – Children learn best when they are taught in ways that are sensitive to their stage of development. All lessons are to be designed and taught according to what is socially, emotionally, physically and cognitively appropriate for each particular age group and child’s physical ability.**
