

What Is LSI's Christmas Swim Camp?

Every year during the beginning of December we have a Saturday full of a few hours of fun for the students we teach mainly, some bring friends.

This is a time for them to see how their swim lessons are paying off.

This year our camp is this Saturday, December 5th @ 3:30-6:30 pm. The cost is \$30 per hour per student.

The 3 hours consist of:

- Didn't get pictures yet for Christmas? Christmas pictures if you would like some with mermaid and shark settings you can check off your list! That is included!
- Dinner served for them with their favorite foods like pizza, veggies, fruit, chips, cookies, chocolate milk
- Some who would like to Swim like a mermaid or chase like a shark can do this for hours
- This year I hope to have more mermaid swimmers!
- Each student will be assigned to an instructor, so they know who to ask questions to, etc.
- Susanne is the life guard the whole night
- They will get better at dives or jumping off diving board
- Meet new friends
- They overcome fear of the water during this swim camp usually, by seeing so many other swimmers having a great fun time.
- We will have a lot of "new" floats for them to have their squirt gun fun on
- We will have life jackets on all non-treaders
- Every year the students ask when it is...this is something they look forward to every year
- This is also a way the few instructors I choose to get extra spending money for Christmas instead of paying bills.
- Parents drop their children off and go have fun with each other and/or friends, have a few hours to get caught up during this busy time of year, go get a massage or quiet time, wrap presents or hide presents, while... we entertain and get them all worn out and ready for bed by the time you pick them up. Yes, bring their pajamas if you would like to!
- It's a BIG Happy Christmas Swim Party! HoHoHo!
- I will send you Christmas pictures through an email.
- Don't miss out for them to have this lifelong memory! They will talk about it for years to come!
